Local Businesses,

We are making an extra effort in our membership drive this year to make sure ALL Troy Area businesses are included. The Troy Chamber of Commerce is here for your business and we are committed to re-investing a large portion of our dues into member benefits and services.

By joining the Troy Chamber of commerce, you are promoting your business, showing your support for the local community, and investing in the economic growth of our region. Please see the enclosed 2018 Member Benefits list that details the extensive benefits offered to your business as a Chamber member. RE: Troy Chamber of Commerce Gift Certificate Program

Local Businesses,

Please remember, the Troy Chamber of Commerce has a gift certificate program that has been growing in popularity over the years and one we intend to promote even more this year. The purpose of the gift certificate program is to assist in the profitability of your business by increasing the number of customers through your doors. The program is very simple! Individuals purchase gift certificates through the Chamber of Commerce (via the Holcombe Guest House at 297-2460) in any monetary amount of their choosing which can be used in any participating Chamber business. When the certificate is used in your business, simply send the certificate for reimbursement to:

Troy Chamber of Commerce
Attn: Gift Certificate
PO Box 104
Troy, PA 16947

If you wish to participate in the Chamber Gift Certificate program, please mark the box "yes" on your Chamber Membership form. We look forward to helping build the profitability of your business through this specific Chamber sponsored program!
